

## Art and Craft Activities

The best part of the Summer Camp is the Art and Craft Sessions.  
We learnt to make interesting crafts which helped us to develop our Artistic skills.

## Snack Time Activities

The little chef's learnt to prepare many delicious dishes. Doing it along with Friends made the Snack Time activities really special.

## Physical Development Activities

Ball skills, Yoga, Music, Structured Games and fun-filled outdoor activities added more Fun to our Summer Program.
